

## **Rumney Conservation Commission Minutes December 12, 2023**

Meeting called to order 7:00 PM

Members present: Janice Mulherin Chair, Robin Coleman, Joel Grass, Blake Allen, Sue Sepenoski, Judith Saum and Maggie Brox

The minutes of the November 8 meeting were approved unanimously.

Correspondence:

DES needs more info on the Dredge and Fill application for Gerrish (Stone Hill Rd) Map 9- Lot 010006.

Notice 2023-02444, DES approved the Shoreland Impact for Duffield 2559 Stinson Lake Rd Map2 Lot 1-46.

Stinson Lake Assoc Dredge and Fill wetlands file 2023-03031 Map 2 Lot 002026.

We plan on purging the files at our next meeting in January and replace the 4-drawer file cabinet with a 2-drawer one.

Looks like there may be a "Clean up Day" for the town in the Spring. RCC members plan on helping out at the transfer station that day and also recruiting some volunteers to help offload the stuff. NO Haz Mat materials will be allowed, and residents will be limited to one load per household meaning a pickup truck load OR a small trailer.

We would like to update the bulletin board space in the town hall, members will come up with ideas to freshen up the space.

Meeting adjourned 7:45 PM

Next meeting is January 10, 2024.

Respectfully submitted.

Maggie Brox
