

TOWN OF RUMNEY
FIRE DEPARTMENT
COMMISSIONERS MEETING
MINUTES
OCTOBER 13, 2014

Present: Terry French, John Bagley, Tim Lewis, Chief David Coursey, Deputy Chief Jim McCart.

Chairman Terry French opened the meeting at 7:03 pm.

The minutes of the September 11, 2014 meeting were approved.

Chief Coursey stated the Public Hearing to transfer the F550 from the Highway Dept. to the Fire Department will be held on October 20th prior to the Selectmen's meeting. The initial step in retrofitting the truck will be to have the dump body and hydraulics removed. The body with hydraulics should be put out to bid. The F550 will go to Walt's, per bid, for painting. The plow and frame will be retained by the Fire Department. The Chief will meet with the truck committee to compile figures for completing the truck.

The budget review will also be held at the Selectmen's meeting Monday night – Oct. 20th. The budget is higher than in prior years. The Commissioners will be present to review the budget and explain any changes they made.

Another issue that needs to be confirmed is pricing for replacing the blacktop in front of the station. Black top figures have been requested with assistance from Frank Simpson, Highway Agent.

A breakfast to benefit the Haven Little Scholarship Fund was held on October 11th. The exact numbers received are not available at this time. Due to lack of advertising, the turnout was less than hoped for. A second benefit for this fund will be discussed for November.

The meeting adjourned at 7:45 pm.

Respectfully submitted,
