

RUMNEY FIRE COMMISSIONERS
MEETING MINUTES
MARCH 7, 2016

Present: Terry French, Tim Lewis and Chief David Coursey

Secretary: Diana Kindell

Chairman Terry French opened the meeting at 7:20 pm.

Minutes of the February 8, 2016 meeting were approved as written.

Bill were reviewed and signed. The Town purchasing policy was reviewed and accepted by the attending Commissioners. They do review quotes and discuss the options available whenever it is possible to obtain them for the department's purchases.

The warrant articles for the department were reviewed and the Chairman was provided with "back-up" information pertaining to the articles.

The Chief spoke of the several Survive Air bottles and parts the Town of Campton had given to the department. The Commissioners are pleased to accept these. They have switched to Scott packs and had no further use for the bottles. A thank you will go out to the Campton Fire Department.

Boxes for the Forestry/Utility truck are at Guy Brochu's having hose and tool racks built on them. They will go to Walt's for painting and should be ready to mount on the truck in a couple of weeks. There will be an early outdoor fire season this year due to the weather this winter and lack of snow. The truck will be equipped and ready to roll when needed.

The meeting adjourned at 8:15 pm.

Respectfully submitted,

Diana Kindell
Secretary
