

RUMNEY FIRE DEPARTMENT  
COMMISSIONERS MEETING  
MINUTES  
APRIL 19, 2016

Present: Terry French, Tim Lewis, David Coursey  
Secretary: Diana Kindell

Chairman Terry French opened the meeting at 7:20 pm.

The minutes of March 9, 2016 were approved as written.

Bills were reviewed and signed.

Out dated air tanks – the Chief stated there will be some tanks to dispose of as they become outdated. They can be disposed of at the transfer station, but some could be recycled for other uses. In the past some members of the department have used them to make lamps. Another good use would be a buoys at the lake. Tim will announce this at the next Association meeting at the lake.

The upcoming 250 celebration for the town was discussed at length with hopes of more involvement from the lake area. Tim will also mention this at the next Association meeting. Additionally the hopes of building a gazebo and possible construction ideas were reviewed.

The fire in Hebron and the availability of fire fighters was reviewed. The initial call was answered by only three members – others did join the crew there at a later time. All towns are lacking younger people joining the departments. Reviewing the pay schedule will be addressed as most young people are not looking to “volunteer” to support their community.

On May 3<sup>rd</sup> there will be a “forest fire” rodeo at the White Mountain Forestry building in Campton. Department will have their forestry vehicles present for all to inspect and there will be a cook out dinner. Rumney will be represented there and the Commissioners are invited to attend.

Polar Caves has requested a training with Rumney and Plymouth to include a rescue off their new climbing wall as well as a cave rescue. This will be scheduled soon.

The meeting adjourned at 8:40 pm.

Respectfully submitted,

Diana Kindell  
Secretary
