

RUMNEY FIRE DEPARTMENT
COMMISSIONERS MEETING
MINUTES
AUGUST 8, 2016

Present: Commissioners Terry French, John Bagley
Fire Chief David Coursey
Secretary: Diana Kindell

Chairman Terry French opened the meeting at 7:08 pm.

Minutes of July 11, 2016 were approved as written and bills were approved.

Jerry Thibodeau attended the meeting to discuss an addition to the fire station building- an ell off the back right side of the building. This addition would include three (3) offices, bathrooms, laundry, utility room and a meeting room. Room sizes were discussed as was a heating system for the addition. The use of radiant heat in the truck bays was discussed as it heats all surfaces – not the air around them. This will be checked into and Terry will work up some numbers for the addition with a five (5) year projected date to submit this to the town.

Terry questioned if we ever received the monies from last year's forest fire. If everyone else was paid, why was the town not paid??

Also, a reimbursement for a physical exam required by the State of NH prior to entering FF1 classes was not signed. The Commissioners and the Chief will attend the next Selectmen's meeting to discuss this.

The town owned "firemen's" plate that remains on a former member's vehicle was discussed and the Chief should speak with the Police Chief regarding this.

The meeting adjourned at 8:40 pm.

Respectfully submitted,

Diana Kindell
Secretary
