

RUMNEY FIRE DEPARTMENT
COMMISSIONER'S MEETING
MINUTES
OCTOBER 4, 2016

Present: Commissioners Terry French, John Bagley, Tim Lewis
Fire Chief: David Coursey
Secretary: Diana Kindell

Chairman Terry French opened the meeting at 7:10 pm.

The Chief and secretary reviewed a few changes made to the expense budget since the last meeting. An item that needs to be added is the charge for either FDSIGN ON or Active 911, whichever the department decides to go with. The FD SIGNON is presently in use on a trial basis which is near the end of the "free" period. Several members pay for Active 911 on their own and would like to see the department pick that up for all. More information is needed on Active 911.

Warrant articles: There will be no warrant article this year for protective clothing; however, the expense budget was increased to cover any unexpected purchases.

There should be two warrant articles – one for SCBA bottles which is covered by the Capital Reserve Fund and one for hydrant work. Pricing for the hydrant work is being worked on but not available at this time.

Two items the Chief would like to present to the facilities committee are a cost to insulate and finish the inside walls of the Depot fire station and a cost to update lighting in the station. Both those numbers are still being obtained.

The meeting adjourned at 8:00 pm.

Respectfully submitted,

Diana Kindell
Secretary
