

RUMNEY FIRE DEPARTMENT
COMMISSIONERS MEETING
MINUTES
FEBRUARY 20, 2017

Present: Commissioners Terry French and John Bagley
Fire Chief: David Coursey
Secretary: Diana Kindell

Chairman Terry French opened the meeting at 6:18 pm.

The minutes of the January 9, 2017 meeting were approved as written.

Bills pending approval were signed.

Chief Coursey noted the Labor Board had done an update inspection and noted a few other things that needed attention. A kick board was needed upstairs along the stairway in West Rumney. He also wanted the rope replaced on the drop down door and have a cable installed rather than rope. The "information booth" leaning against the wall needed support to prevent the base from sliding out and be secured to the wall. Cleaning also remains to be done upstairs in both stations.

It was recommended to have an over-hang be installed over the walk-thru door in West Rumney to prevent snow build up there.

The contract from the Town of Groton has been signed and returned to the department. It was noted capital improvements were included in the equation to determine the yearly figure.

The Pro Pack bill, being paid by the Ladies Auxiliary came in about \$200 less than expected. The Chief will also speak to them about purchasing head lamps for the members. The new lamps have LED lights which are brighter and have a prolonged battery life compared to older ones.

The meeting adjourned at 6:50 pm.

Respectfully submitted,

Diana Kindell
Secretary
