Commissioners present: Terry French, Tim Lewis and Cam Brown
Fire Chief: David Coursey
Secretary: Diana Kindell
Guest: George Bonfiglio

Chairman Terry French opened the meeting at 7:08 pm.

Chief Coursey invited the town's new Selectman, George Bonfiglio to the meeting so he could have an overview of the Commissioner's role within the Fire Department. Further a general overview of the department was provided.

Minutes: The minutes of the February meeting was approved as written by Terry French as he was the only Commissioner present attending that meeting. There was no March meeting.

Training: The Chief spoke of the live burn training No. Woodstock would be presenting this month. There will be a dinner prior and other departments are expected to attend.

ISO report: An ISO representative visiting the town this winter to review the department, water available when first on the road and how many members were available 24/7. The charging system was found to be defective and that was replaced.

A Q siren (older style siren) was mounted on the front bumper.

Forestry truck has three bad injectors and quotes for replacing these will be obtained prior to any repairs.

Buildings: The chimney has paint peeling off due to a moisture problem within the blocks. This will be checked into and suggestions as to how best to resolve this issue.

The Ladies Auxiliary building is sinking in to the sand and needs to be lifted and possibly moved at this time.

The door bottoms on the overhead doors need replacing. Is Jimmy available to do this?

Contracts: The signed contracts from Groton and Dorchester were reviewed by the Commissions.

Selectmen Bonfiglio left at this time.

At 9:08 pm Terry made a motion to leave non-public session, seconded by Tim and agreed to by all.
