

RUMNEY FIRE DEPARTMENT
COMMISSIONERS MEETING MINUTES
MAY 8, 2017

Commissioners present: Terry French, Cam Brown and Tim Lewis joining at 8:00 pm.

Chief: David Coursey

Secretary: Diana Kindell

Chairman Terry French opened the meeting at 7:00 pm.

Minutes: The minutes of April 10th were approved as written.

Training: The town is having a harassment class on May 22nd and all involved with the town are required to attend. The Commissioners will attend the 6:00 pm session.

The "doll house" training went very well with examples of venting a fire portrayed in various ways. We do need to replace the plywood for Tom Sabourn (Woodstock Dept.) who puts on this program.

Building: The Chief inquired if Jimmy Joyce would be available to do additional work at the station. The trim boards on the overhead doors need replacing and would like that to be plastic trim that will not rot out from the water splash.

The ladies building needs to be raised or moved. That will be further discussed.

The overhang above the gas tanks needs to be built.

Shelves and hanging brackets for the cage are another issue that needs addressing.

Chimney – water has eaten the blocks and they need to come down. Tracey Duffy will build the new chimney and left a material list. Can the members remove the old chimney or do we need to hire someone with insurance?

West Rumney – the Chief would like to meet with the Selectmen for their input on doing some work to enlarge the door to better access the building with the engine. Also lighting needs to be improved and can the center supports be moved or removed?

Hydrant: Neil McIver is in the process of taking pictures for the permits for both Quincy Road and French's pond.

Vehicles: The forestry truck needs some injectors replaced. Cam suggested this be done soon before the fire season starts. The Chief should make an appointment at Meredith Ford.

At 8:00 pm Cam Brown made a motion to enter non-public session per RSA 91-A:3,III(c), seconded by Terry and agreed to by all to discuss a personnel matter. At 8:20 pm Terry made a motion to leave non-public session, seconded by Can and agreed to be all.

Terry then made a motion to seal the minutes indefinitely, seconded by Can and agreed to.

Treating John Bagley to lunch was discussed to acknowledge his time as a Commissioner.

The meeting adjourned at 8:26 pm.
