

Rumney Fire Commissioners  
Meeting Minutes  
January 27, 2020

Present: Cam Brown, Terry French and Tim Lewis  
Chief: David Coursey  
Secretary: Diana Kindell

Chairman Cam Brown opened the meeting at 6:00.

The Chief mentioned he had been working with Charlie Buckley on the school sprinkler system and Charlie told him later in the year he would work on the station/safety building.

Warrant articles:

1. Zodiac has already been removed for this year
2. Fire Engine – The Selectmen want to cap the price at \$400,000. To replace what we currently have with no improvements or upgrades cost \$392,000. The committee needs to meet and determine options on their wish list and then get three (3) estimates for the actual truck they will be looking for.

Cam made a motion to remove new truck from the 2020 Town Warrant. Terry seconded the motion and all approved.

The future of the Fire Department was discussed.

The Chief stated he will start replacing lighting in the bay to LED's as the current bulbs go out. As discussed a few strips will be replaced at a time.

The meeting adjourned at 6:55 pm.

Respectfully submitted,

Diana Kindell  
Secretary
