DEFINITION OF ABUTTER

An ABUTTER is defined as: Any person whose property is located in New Hampshire and adjoins or is directly across the street or stream from the land under consideration by the Rumney Planning Board. For purposes of receiving testimony only, and not for purposes of notification, the term “abutter” shall include any person who is able to demonstrate that his land will be directly affected by the proposal under consideration. For purposes of receipt of notification of a Rumney Planning Board hearing, in the case of an abutting property being under a condominium or other collective form of ownership, the term abutter means the officers of the collective or association as defined in RSA 356-B:3, XXIII. For purposes of notice and receipt of testimony, the term “abutter” shall include all affected municipalities and regional planning commissions whenever the Board determines the proposed project is a “development of regional impact”
