

RUMNEY PLANNING BOARD MEETING

November 15, 2011

The meeting was called to order at 7:05 p m by Tom Grabiek, Chairman.

Present were Tom Grabiek, Brian Flynn, Cheryl Lewis and alternate Diana Kindell. Present by invitation was Janice Mulherin, Selectman.

The meeting was called to review a Master Plan draft prepared by Tara Bamford, North Country Council.

A portion of the plan had been prepared so the Board could review and comment on the process. Also information was missing from the NRI as presented to Tara on a CD. Janice spent time trying to work with the NRI maps without the data used to create the maps. She will contact the Conservation Committee to obtain any information they have available. Also, a section of the MP should show the future use of that information within the town's planning process. This portion of the plan should be prepared and sent to Tara prior to our December meeting.

A few changes in information were suggested, but the Board was pleased with the direction Tara has taken in presenting the history and the vision. Tara will attend the December 27, 2011 meeting with another draft to review at that time.

The meeting adjourned at 8:10 pm

Respectfully submitted

Diana Kindell, Clerk
