Minutes: The minutes of February 24th were approved with changes.
The minutes of March 17th were approved as written.

Budget: The budget through the end of February was reviewed.

Lightfoot letter: Cheryl Lewis recused herself from this discussion. A letter was received with several questions on the roads within Baker River Campground and the usage of same. Mountain View Drive was also questioned as part of the subdivision creating the lots in this area. Their questions are repetitive from previous letters and the Board did so state in their response. The Board considers this matter closed.

Albert Moriarity, owner of a 470 acre parcel on Elliot Road will be meeting with the Clerk on Monday with questions “beyond subdivision”.

Further work on the subdivision regulation update was completed through Section 5.

The meeting adjourned at 9:20 pm.

Respectfully submitted,

Diana Kindell
Clerk
