#### Selectmen's Report

The Town has gone to court with both the Daigles and Speed Bear. Daigles have not met their deadline. Speed Bear has opened a business in Campton. Some vehicles have been moved but not all.

Rest Area – The State has come back with a counter offer. However, there are several restrictions that make the offer not desirable. Price has dropped from 180K to 159K.

#### Postcard and Survey

The Board took a final look at wording of the Postcard and the Survey and did one last round of wordsmithing and editing to clean it up. Final versions of postcard and survey will be available to members of the board in the next week. Members are asked to take the survey online – Tara will send link – for a final run through. Judi will

get phone number to Tara, where the survey will be on our website and determine how the survey will be distributed at the Town Hall.

CIP

The Board needs to present the Select Board with CIP suggestions this year. Joe Chivell will put together a worksheet for us to use. Judi will get it out to everyone once Joe has it done. If everyone takes one or two departments and talks to the department head we should be able to get this done pretty quickly.

The next meeting will be September 29. Tara will continue to host our meeting.

The meeting was adjourned at 8:30. Armand Girouard made the motion to adjourn and Isaac DeWever seconded. All voted in favor.

Respectfully submitted

Judi Hall
