

TOWN OF RUMNEY  
SELECTMEN'S MEETING  
MINUTES  
04/23/07

**MINUTES**

Selectmen Present: Mark Andrew, Janice Mulherin, John Fucci  
Administrative Assistant: Anne Dow

The meeting was opened at 7:00 p.m.

**MINUTES:** The minutes of 04/16/07 were approved.

**SELECTMEN'S ISSUES:**

**ABATEMENTS:** The Board reviewed nine abatements; three need more information before the Board makes a final decision. The remaining six abatement decisions will be typed and presented to the Board for signatures next week.

**RIVERBROOK:** The Board reviewed the draft letter regarding the liquor license Riverbrook has applied for. Rather than send the letter, Selectmen Fucci suggested asking Mr. Killion to come in and meet with them to discuss what their intentions are with respect to the liquor license and how it works into the plans with the RV resort.

**AVERY TRAILER ABATEMENT:** Avery trailer was destroyed during the winter of 2005-06; before abating Anne will look into when inventory was filed, etc.

**ADMINISTRATIVE:**

**AMBULANCE CONTRACT:** The Board reviewed Attorney Waugh's recommendations for the contract between Plymouth and Rumney. The Board made a change to Paragraph 4 to include "Contract and compensation changes and/or terms shall be provided to the Town of Rumney at least 30 days prior to the cancellation deadline." This request for change in Paragraph 4 of the contract will be forwarded to Plymouth.

**CODE ENFORCEMENT:** Don Jutton will be meeting with Attorney Waugh April 24<sup>th</sup> regarding the enforcement issues associated with junkyards in Rumney.

**REQUEST FOR GRADER RENTAL:** The State Highway Department (NH DOT District 2) has asked if they could rent the town's grader temporarily to help with clean-up from the recent storm. After some discussion the Board decided, because of the age and condition of the grader, not to rent the equipment to the State. The Board was concerned that if something should happen to the grader while being rented, it would impact the town's highway department and work that needs to be done on the roads, especially this time of year.

**INVENTORY PENALTY:** The Board agreed to waive the inventory penalty for David Macomber; the form was received after the April 15<sup>th</sup> deadline because the Macomers were, and continue to be, out of the country.

**TRANSFER STATION CLOSURE:** Anne will schedule an appointment with Tom Duffield, engineer for T. F. Moran, for an update on the progress being made on the closure process.

**BLAIR/NON-CONFORMING LOT:** The Blairs gave their tenants a statement to sign stating that they agree to vacate the mobile home by May 1<sup>st</sup> and that they, the tenants, would be responsible for any fines that may be imposed by the town if they are not out by May 1<sup>st</sup>. The Board agreed not to impose the civil penalty of \$275 per day at the May 1<sup>st</sup> deadline because the tenants are actively looking for a place to go. The Board will meet with the Blairs on Monday, April 30<sup>th</sup> for an update on the situation and to discuss the matter further.

**UPCOMING:** 5/3 Road Committee – will be looking at long-term planning for road work. 5/4-5 Community Profile
