

TOWN OF RUMNEY  
[www.rumneynh.org](http://www.rumneynh.org)  
SELECTMEN'S MEETING  
MINUTES  
11/16/09

Selectmen Present: Mark Andrew, John Fucci, Janice Mulherin  
Administrative Assistant: Anne Dow  
Secretary: Janet Sherburne

Public: Jim Buttolph, Anita French, Carl Spring, Gail Sanborn, Dean Kenneson, Cheryl Lewis:  
Advisory Board Members: John Bagley, Jerry Thibodeau

The meeting was opened at 7:00 pm.

**Minutes:** The minutes of 11-02-09 were approved.

**Privilege of the Floor:** Dean Kenneson presented the board with pictures of the electrical work done on the transfer station shed so they can be placed on file for future reference. Mr. Kenneson also submitted an invoice for the materials used on the project, he has donated the labor. The board thanked him for the donation of his time and the work he has done. Mr. Kenneson also suggested that the box for the compactor switch be moved inside the building. He will work up a price estimate for this.

**SELECTMENS ISSUES:**

**Ambulance Bids:** The town received four bids for the old ambulance. Bids were opened as follows:

1. Paul Skipper - \$2766.00
2. Asian Auto Services - \$2997.32
3. NE Dragway of Epping - \$3,050.00
4. Pat Coursey - \$2,606.06

The board reviewed the bids and voted unanimously to accept the bid from NE Dragway for \$3,050.00. NE Dragway will remove all markings from the vehicle.

**Rural Fire Water Resource Plan Review:** The board reviewed the draft plan and has some questions and concerns about wording. Anne will pull together the board's suggestions.

**Master Plan:** Mark Andrew has updated the Financial Section and the board will review the update and discuss this again. Janice Mulherin has updated the Town Building Section for the board to review. John Fucci is waiting for information from the Recreation Committee. It was noted that the money appropriated for the Master Plan at the March 2009 town meeting can be used in 2010.

**Perambulation/Wentworth:** Janice Mulherin met with Frances Muzzey on Saturday and walked some of the town line. They will meet again in a few weeks to complete the perambulation.

**Road Committee Update:** John Fucci updated the board on the recent meeting. The committee discussed the need for repairs to the Sand Hill Bridge. The bridge is on the state's bridge list and the next step is to have an engineering plan completed. The Committee discussed the 2010 budget and whether it would be more beneficial to put \$75,000 into a road project or to put money into a capital reserve fund for bridge work. The committee also reviewed the capital purchase and replacement plan.

**Tax Cap Issue:** John Fucci feels there is some confusion about last years Article 33 regarding a tax cap. This is a non-binding article that residents can petition to include in the warrant to make a point to those in charge of the town budget. Mr. Fucci feels that some residents feel that the board is not doing what the residents expect

or want done. He would like Anne to gather together the RSA's that pertain to this matter and have them available to the public.

#### **BUDGETS:**

**Transfer Station Budget:** Sonny Ouellette presented the 2010 budget to the board. Salaries will be discussed later. Transportation and tipping fees were discussed; these line items may need to be adjusted.

**Library Budget:** Tom Wallace and Jan Serfass presented the Library Budget. A new line item has been added for cleaning. Currently the trustees or librarian are doing the cleaning. The Trustees had proposed a capital reserve fund be established for future Handicap Access. Anne found that a capital reserve fund was established in 1998 for this purpose and additional money could be added to the existing fund. Tom Wallace has researched some options for handicap accessibility and will get costs.

**Cemetery Budget:** Ed Openshaw presented the Cemetery Budget. He explained that the interest earned from the trust funds is used for cleaning and repair of headstones. The trustees are looking into purchasing a computer program for cemeteries which would aid in the recordkeeping. Ed explained that this year the trustees will use a major portion of the interest for stone work. Anne explained that for budget purposes, the town needs to know the exact interest amount that is available. This information is obtained from Charter Trust Co.

#### **ADMINISTRATIVE:**

**East Rumney Road Culvert/Permit:** Bruce Barnard submitted the plans/application last week and there are some changes that need to be made. Frank Simpson and Bruce Barnard reviewed the plans and changes were made. The updated plan should be ready for review by the end of this week.

**Historical Society Roof:** Joe Santamaria will begin the roof repair on November 23<sup>rd</sup>.

**Groton Wind Farm:** The Director of the company installing the wind farm has asked the town if there is any interest in having him come to a meeting to discuss the project. The board feels this would be a good idea and will ask the Planning Board to schedule him a time to meet at a Planning Board meeting and the selectmen will attend.

**Primex:** Anne met with members of Primex and the company provided a quote for all of the town's insurance needs. Anne will work up a comparison for the board to review during the budget process.

**Junkyard Update:** Ken Knowlton, MRI, visited the property at 653 Quincy Road. He suggests sending a letter to the property owner regarding the situation. The property is being rented and the owner may not be aware of the situation there.

**School Board Minutes:** The board discussed the possibility of having a link to the minutes on the town website. The minutes are available on the School website.

#### **Privilege of the Floor:**

Jerry Thibodeau asked about the \$5,000 already in the Library Capital Reserve which could be used for handicap accessibility at the Library. The board explained that the Trustees would like to add to this amount. Mr. Thibodeau asked if the trustees would get a bid first and the board stated that yes the trustees would request bids.

Carl Spring stated that when the Cemetery Trustees were ready to work on stones that he would like to take a look at the work and see if he could do it. Anne will forward Carl's contact information to Ed Openshaw. Mr. Spring asked if the Fire Water Resource Plan could be reviewed by the public. The board explained that the plan is in the draft stages at this point, but it is public.

Anita French asked if the town was going to have to borrow money in anticipation of taxes. At this time, the board does not feel this will be necessary.

Dean Kenneson provided a quote to relocate the control/relay switch at the Transfer Station. The cost would be \$351.00 for materials only. Janice Mulherin asked Mr. Kenneson if he would like a letter from the town for tax purposes, for the labor he has donated.

**Signed:** Checks; Veterans Credit Updates; Timber Tax; J. Keyes – Revised Septic Plan 07-02-15-01; Intents to Cut – W. Reed 01-01-15; K. Ward 16-01-01; E911 Liaison Appointment Form.

The meeting was adjourned at 9:30 p.m.

Respectfully submitted,

Janet C. Sherburne, Secretary

**Historical Society Roof:** Joe Santamaria will begin the roof repair on November 23<sup>rd</sup>.

**Groton Wind Farm:** The Director of the company installing the wind farm has asked the town if there is any interest in having him come to a meeting to discuss the project. The board feels this would be a good idea and will ask the Planning Board to schedule him a time to meet at a Planning Board meeting and the selectmen will attend.

**Primex:** Anne met with members of Primex and the company provided a quote for all of the town's insurance needs. Anne will work up a comparison for the board to review during the budget process.

**Junkyard Update:** Ken Knowlton, MRI, visited the property at 653 Quincy Road. He suggests sending a letter to the property owner regarding the situation. The property is being rented and the owner may not be aware of the situation there.

**School Board Minutes:** The board discussed the possibility of having a link to the minutes on the town website. The minutes are available on the School website.

#### **Privilege of the Floor:**

Jerry Thibodeau asked about the \$5,000 already in the Library Capital Reserve which could be used for handicap accessibility at the Library. The board explained that the Trustees would like to add to this amount. Mr. Thibodeau asked if the trustees would get a bid first and the board stated that yes the trustees would request bids.

Carl Spring stated that when the Cemetery Trustees were ready to work on stones that he would like to take a look at the work and see if he could do it. Anne will forward Carl's contact information to Ed Openshaw. Mr. Spring asked if the Fire Water Resource Plan could be reviewed by the public. The board explained that the plan is in the draft stages at this point, but it is public.

Anita French asked if the town was going to have to borrow money in anticipation of taxes. At this time, the board does not feel this will be necessary.

Dean Kenneson provided a quote to relocate the control/relay switch at the Transfer Station. The cost would be \$351.00 for materials only. Janice Mulherin asked Mr. Kenneson if he would like a letter from the town for tax purposes, for the labor he has donated.

**Signed:** Checks; Veterans Credit Updates; Timber Tax; J. Keyes – Revised Septic Plan 07-02-15-01; Intents to Cut – W. Reed 01-01-15; K. Ward 16-01-01; E911 Liaison Appointment Form.

The meeting was adjourned at 9:30 p.m.

Respectfully submitted,

Janet C. Sherburne, Secretary

TOWN OF RUMNEY  
[www.rumneynh.org](http://www.rumneynh.org)  
SELECTMEN'S MEETING  
MINUTES  
11/16/09

Selectmen Present: Mark Andrew, John Fucci, Janice Mulherin  
Administrative Assistant: Anne Dow  
Secretary: Janet Sherburne

Public: Jim Buttolph, Anita French, Carl Spring, Gail Sanborn, Dean Kenneson, Cheryl Lewis:  
Advisory Board Members: John Bagley, Jerry Thibodeau

The meeting was opened at 7:00 pm.

**Minutes:** The minutes of 11-02-09 were approved.

**Privilege of the Floor:** Dean Kenneson presented the board with pictures of the electrical work done on the transfer station shed so they can be placed on file for future reference. Mr. Kenneson also submitted an invoice for the materials used on the project, he has donated the labor. The board thanked him for the donation of his time and the work he has done. Mr. Kenneson also suggested that the box for the compactor switch be moved inside the building. He will work up a price estimate for this.

**SELECTMENS ISSUES:**

**Ambulance Bids:** The town received four bids for the old ambulance. Bids were opened as follows:

1. Paul Skipper - \$2766.00
2. Asian Auto Services - \$2997.32
3. NE Dragway of Epping - \$3,050.00
4. Pat Coursey - \$2,606.06

The board reviewed the bids and voted unanimously to accept the bid from NE Dragway for \$3,050.00. NE Dragway will remove all markings from the vehicle.

**Rural Fire Water Resource Plan Review:** The board reviewed the draft plan and has some questions and concerns about wording. Anne will pull together the board's suggestions.

**Master Plan:** Mark Andrew has updated the Financial Section and the board will review the update and discuss this again. Janice Mulherin has updated the Town Building Section for the board to review. John Fucci is waiting for information from the Recreation Committee. It was noted that the money appropriated for the Master Plan at the March 2009 town meeting can be used in 2010.

**Perambulation/Wentworth:** Janice Mulherin met with Frances Muzzey on Saturday and walked some of the town line. They will meet again in a few weeks to complete the perambulation.

**Road Committee Update:** John Fucci updated the board on the recent meeting. The committee discussed the need for repairs to the Sand Hill Bridge. The bridge is on the state's bridge list and the next step is to have an engineering plan completed. The Committee discussed the 2010 budget and whether it would be more beneficial to put \$75,000 into a road project or to put money into a capital reserve fund for bridge work. The committee also reviewed the capital purchase and replacement plan.

**Tax Cap Issue:** John Fucci feels there is some confusion about last years Article 33 regarding a tax cap. This is a non-binding article that residents can petition to include in the warrant to make a point to those in charge of the town budget. Mr. Fucci feels that some residents feel that the board is not doing what the residents expect

or want done. He would like Anne to gather together the RSA's that pertain to this matter and have them available to the public.

#### **BUDGETS:**

**Transfer Station Budget:** Sonny Ouellette presented the 2010 budget to the board. Salaries will be discussed later. Transportation and tipping fees were discussed; these line items may need to be adjusted.

**Library Budget:** Tom Wallace and Jan Serfass presented the Library Budget. A new line item has been added for cleaning. Currently the trustees or librarian are doing the cleaning. The Trustees had proposed a capital reserve fund be established for future Handicap Access. Anne found that a capital reserve fund was established in 1998 for this purpose and additional money could be added to the existing fund. Tom Wallace has researched some options for handicap accessibility and will get costs.

**Cemetery Budget:** Ed Openshaw presented the Cemetery Budget. He explained that the interest earned from the trust funds is used for cleaning and repair of headstones. The trustees are looking into purchasing a computer program for cemeteries which would aid in the recordkeeping. Ed explained that this year the trustees will use a major portion of the interest for stone work. Anne explained that for budget purposes, the town needs to know the exact interest amount that is available. This information is obtained from Charter Trust Co.

#### **ADMINISTRATIVE:**

**East Rumney Road Culvert/Permit:** Bruce Barnard submitted the plans/application last week and there are some changes that need to be made. Frank Simpson and Bruce Barnard reviewed the plans and changes were made. The updated plan should be ready for review by the end of this week.

**Historical Society Roof:** Joe Santamaria will begin the roof repair on November 23<sup>rd</sup>.

**Groton Wind Farm:** The Director of the company installing the wind farm has asked the town if there is any interest in having him come to a meeting to discuss the project. The board feels this would be a good idea and will ask the Planning Board to schedule him a time to meet at a Planning Board meeting and the selectmen will attend.
