SELECTMEN'S MEETING
MINUTES
12/07/09

Selectmen Present: Mark Andrew, John Fucci, Janice Mulherin
Administrative Assistant: Anne Dow
Secretary: Janet Sherburne

Public: Carl Spring,
Advisory Board Members: John Bagley, Jerry Thibodeau

The meeting was opened at 7:00 pm.

Minutes: The minutes of 11-30-09 were approved.

Privilege of the Floor: Gerry Thibodeau informed the board that Judy Alger had passed away.

John Bagley had a question concerning tax exempt property. Anne explained that tax exempt property that is for sale remains tax exempt until transferred to a new owner. John also mentioned that someone has moved into one of the church buildings. Anne explained that the status of the property will be revisited on April 1, 2010.

SELECTMENS ISSUES:

CNP Reviews: CNP has completed the informal reviews and some adjustments will be made. The final values should be available in a few days. Anne will e-mail the values to the board for review. The MS-1 needs to be completed and sent to the DRA for review before the tax rate can be set. A representative from the Department of Revenue was conducting exit interviews after the reviews and had positive feedback.

Buffalo Road Washout: Janice met with Frank Simpson and the DES representative and discussed what needs to be done for state permits and how the damage can be repaired. A standard Dredge and Fill Permit is required and the repair can be kept simple by placing rocks at the washout. Frank Simpson will meet with Dana White to get a figure on the cost of materials.

BUDGETS:

Safety;Ambulance;E911 budget: The E-911 budget is down due to a decrease in changes being made.

Street Lights: Anne checked with the NH Electric Coop about ways to decrease the cost of street lights. The number of lights can be decreased. The board would have to request some lights be removed; they would be removed at no charge. Another option is to install lower wattage lights. The Coop also predicts that the rates for the street lights will decrease in 2010.

Parks & Recreation: The board discussed the need for an active Recreation Committee.

Town Common: Includes \$365 for electricity, \$1000 for mowing and \$500 for repairs.

Baker Athletic Field: The skating rink was discussed. Volunteers are needed to help with maintenance, including clearing of snow in the winter. Carl Spring explained that hardware is needed to put up the sides of the rink. The board asked him to get together the costs of putting the rink up.

Old Home Day: Budget request remains the same as last year. \$779.00 will be taken from fund balance.

Jim Darling Rec. Area: \$550 for the porta-potty, \$200 for mowing and \$200 for miscellaneous. The board discussed putting the mowing out to bid with the other town properties.

ADMINISTRATIVE:

Accounts Payable: Only payroll and a few necessary invoices were paid today. Next week the Grafton County Tax Bill is due along with a \$100,000 payment to Russell School. All invoices will be held for 30 days. With the large payments due next week, it may be necessary for the town to borrow money. Linda Whitcomb, Tax Collector, does not suggest taxpayers make pre-payments to taxes at this time, because the bills should be out within the next two weeks.

Historical Society Roof: The roof repairs are complete. Roger Daniels has put together a list of repairs needed to the building. The board discussed placing a warrant article in the 2010 warrant for \$3000 to repay the Historical Society for the roof repair.

Follow-Up Insurance: The LGC provided a breakdown on insurance for buildings and contents. The cost is figured at 63 cents/1000. Also, all employees are covered for personal liability at \$500,000 each.

Privilege of the Floor:

Carl Spring asked about the Intent to Cut for the US Forest Service. The board explained that the logging will be done in the Stevens Brook area. Carl also asked if all town vehicles were equipped with First Aid Kits. This will be referred to the Safety Committee.

Gerry Thibodeau informed the board that the computer he was going to donate is not in good condition.

Signed: Checks; Veterans Credit Updates; Intent to Cut – USFS(G. Coursey); Comstar paperwork – ambulance billing.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,

Janet C. Sherburne, Secretary

All invoices will be held for 30 days. With the large payments due next week, it may be necessary for the town to borrow money. Linda Whitcomb, Tax Collector, does not suggest taxpayers make pre-payments to taxes at this time, because the bills should be out within the next two weeks.

Historical Society Roof: The roof repairs are complete. Roger Daniels has put together a list of repairs needed to the building. The board discussed placing a warrant article in the 2010 warrant for \$3000 to repay the Historical Society for the roof repair.

Follow-Up Insurance: The LGC provided a breakdown on insurance for buildings and contents. The cost is figured at 63 cents/1000. Also, all employees are covered for personal liability at \$500,000 each.

Privilege of the Floor:

Carl Spring asked about the Intent to Cut for the US Forest Service. The board explained that the logging will be done in the Stevens Brook area. Carl also asked if all town vehicles were equipped with First Aid Kits. This will be referred to the Safety Committee.

Gerry Thibodeau informed the board that the computer he was going to donate is not in good condition.

Signed: Checks; Veterans Credit Updates; Intent to Cut – USFS(G. Coursey); Comstar paperwork – ambulance billing.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,

Janet C. Sherburne, Secretary
