

TOWN OF RUMNEY  
MINUTES  
PUBLIC HEARING ON BOND FOR LIBRARY ACCESSIBIITY PROJECT  
FEBRUARY 24, 2015

Selectmen: Ed Haskell, Dan Kimble, Cheryl Lewis  
Clerk: Diana Kindell

Library Trustees: Roger Daniels, Tom Wallace

Public: Janice Mulherin, Kathy Wallace, David Saad, David Coursey, Jerry Thibodeau

Chairman Ed Haskell opened the hearing at 6:00 pm.

Information was provided detailing the cost per \$100,000 valuation for a 5 year bond and that for a 2 year bond. The figures indicate that the 5 year bond would have a minimal impact on taxpayers costing less than 1 cent per day per \$100,000. The numbers were determined using "illustration" interest rates. The actual rates will be determined when and if the bonds are secured.

There was little discussion on this project; however, it was suggested to bring as much information as possible to town meeting to present to the voters. Tom stated he would request the use of the projector at the school for presentation purposes.

At 6:30 pm Cheryl made a motion to close the hearing, seconded by Dan and agreed to.

Respectfully submitted,

Diana Kindell  
Clerk
